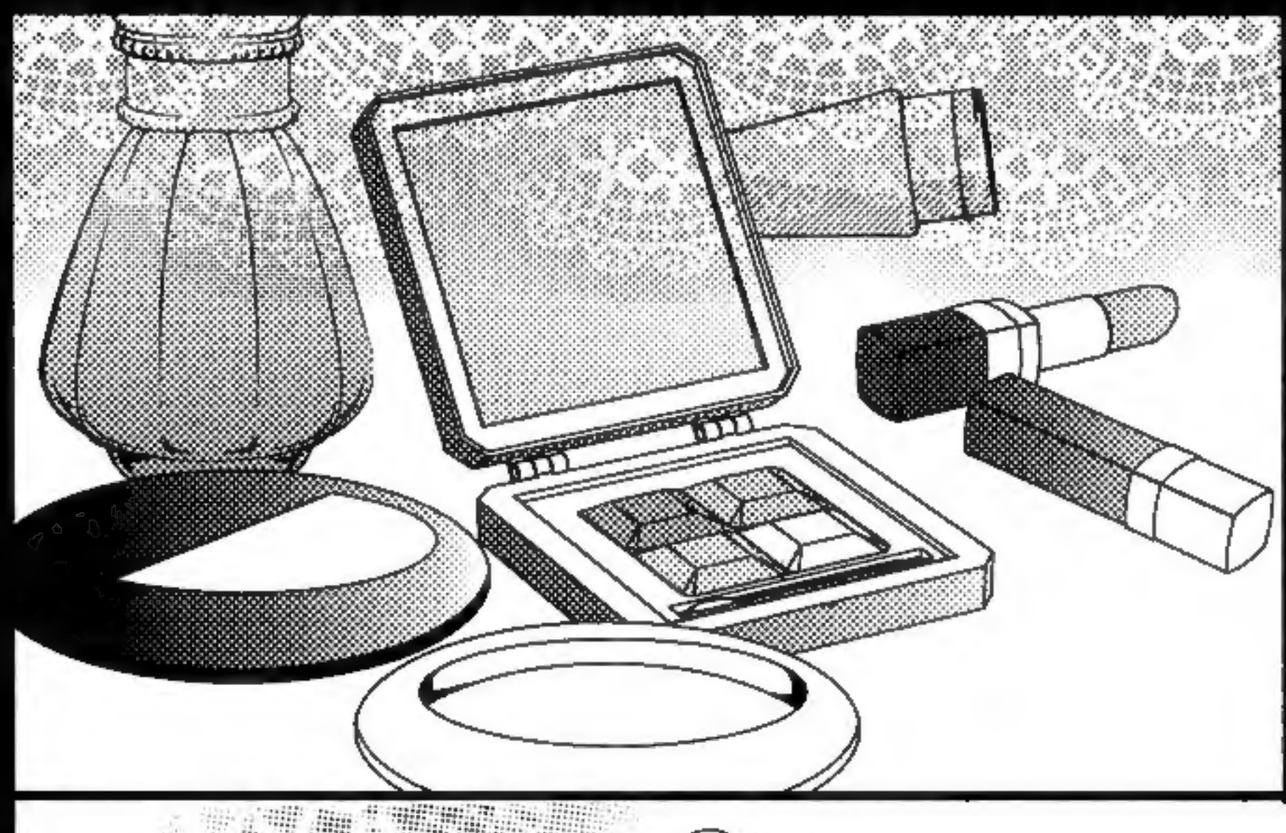
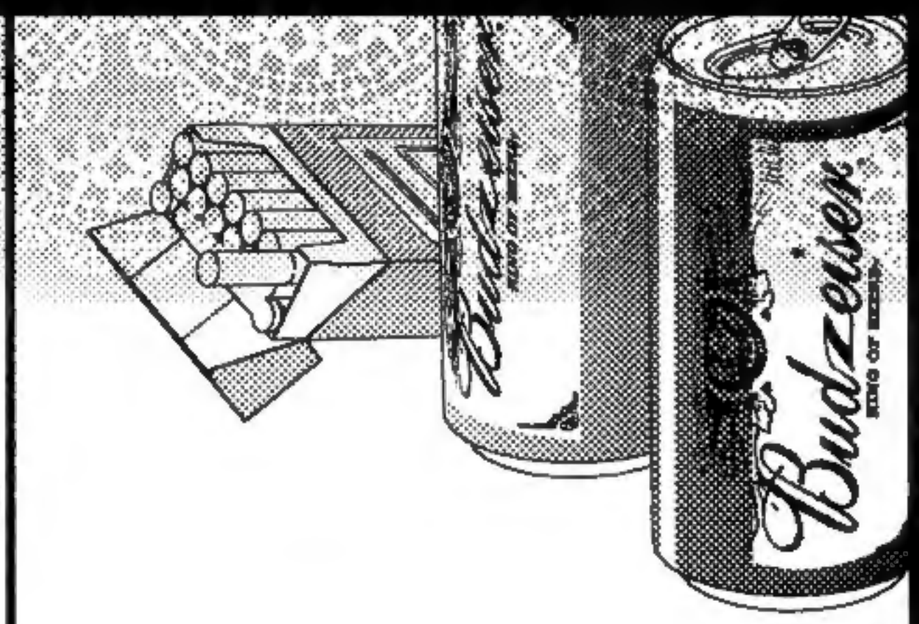
どろどろと恋 第四話

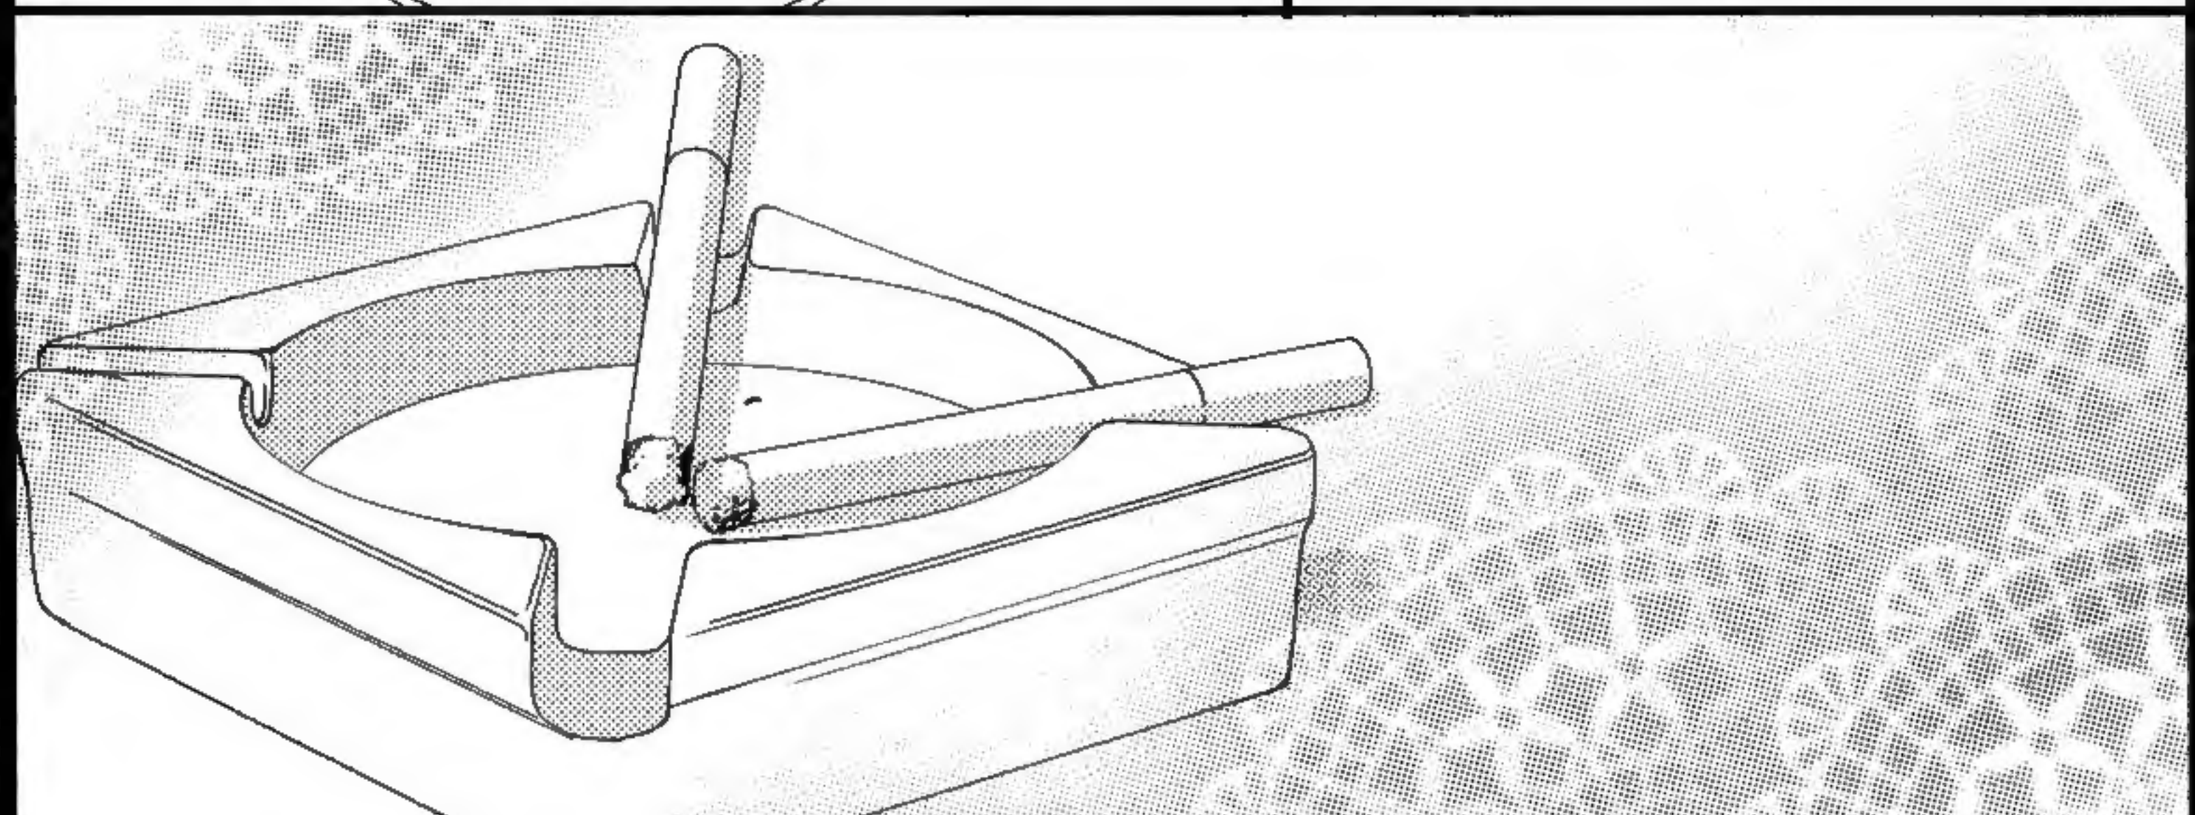
Syrupy Love chapter 4

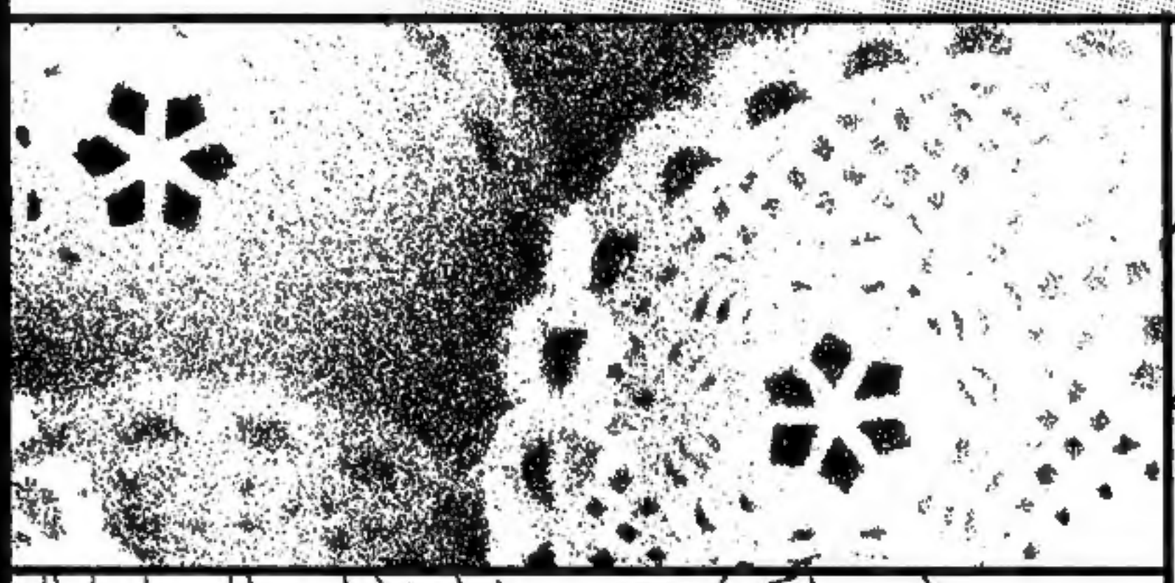
I was immersing myself in "that act."

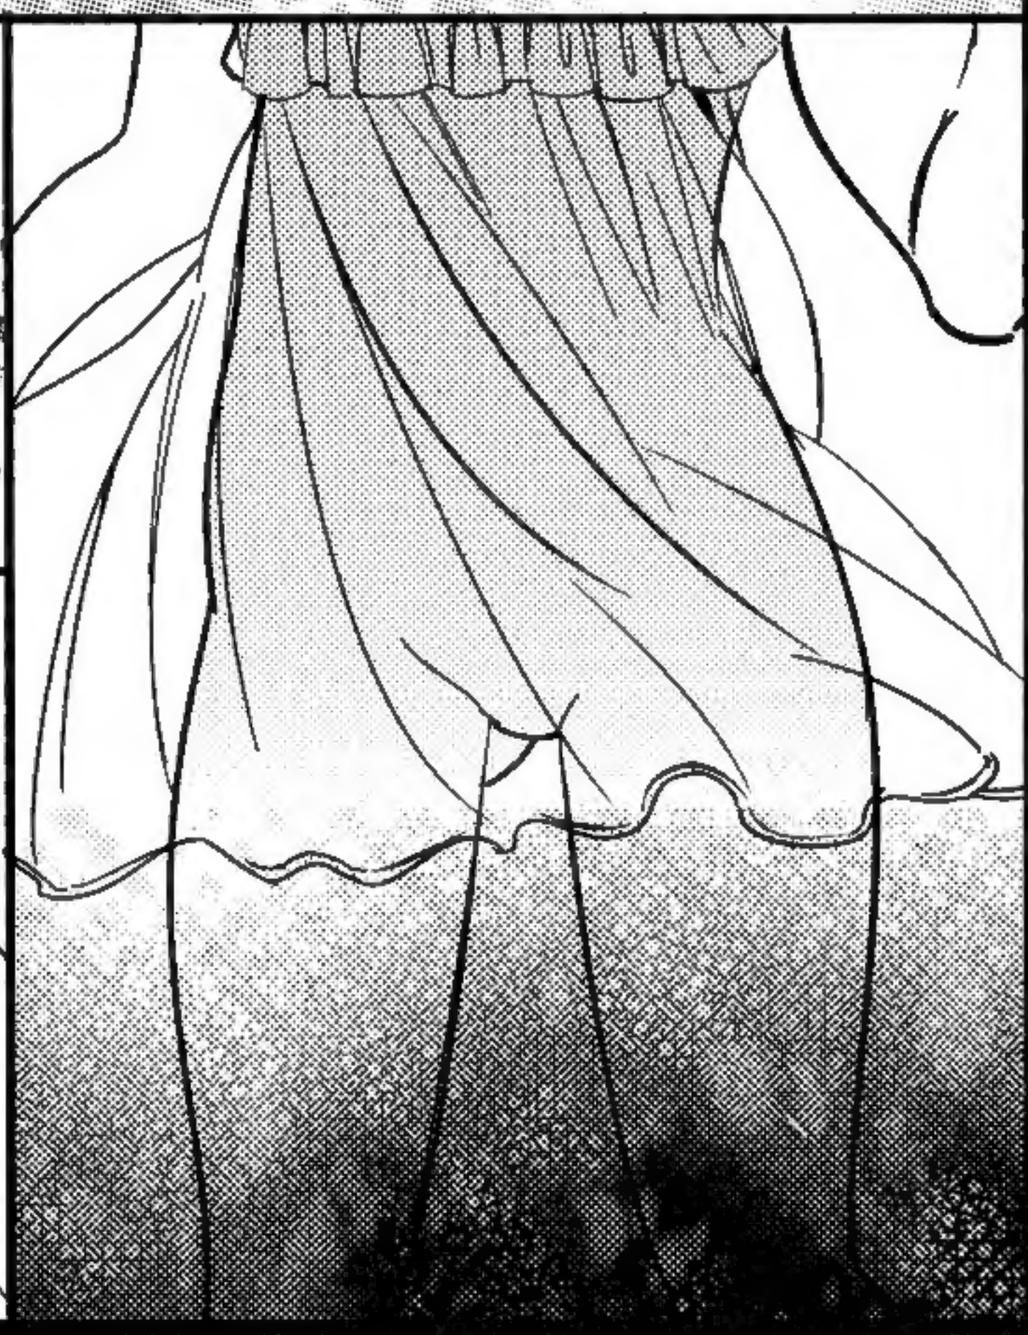


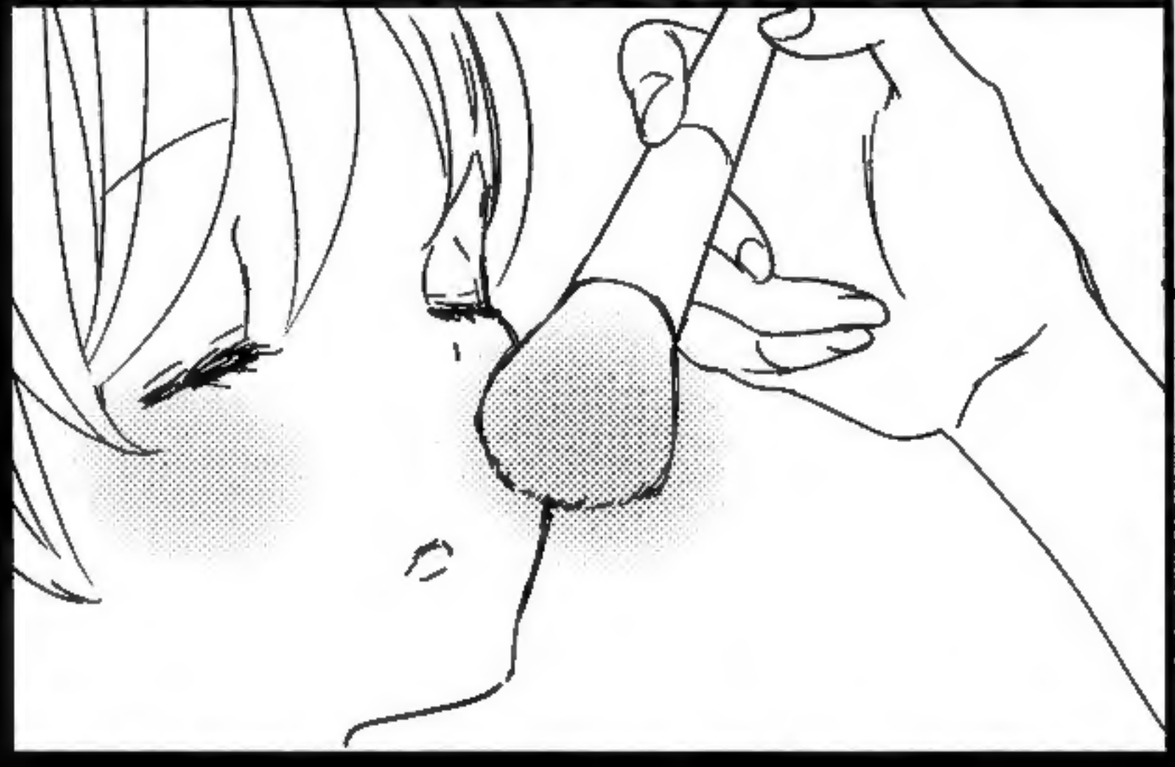


Budweiser









She "comforted" my body. She licked my body.

She taught me how to do my make up. She lent me adult under-wear I've never seen before.

This situation and I were being reflected in a mirror.

That was the reflection I saw in the mirror.

I could see my unknown self and this person (Jun) who was, until recently, unknown to me...

?

tap Basically,

Your finger is? What?

I'll teach you how to feel good not with words but with my body.

My finger is thinking of having sex with Tsubasa-chan, but it will still respect your autonomy.

I wanted to change something, but I feel like my body and soul have been released.

I'm seeing a world that I've never experienced before.

Learning my body, and how to pleasure myself through someone else,

however, when I go back home, it will be to a place I call "unpleasant" and where I'm always tense. I'll turn inward, stiffening until I'm closed up, but... something could change one day.

Finally,

because I wore my skirt shorter or because I dyed my hair. And first of all, I'm not Mo-

I didn't run away from home

What's wrong with me?

I'm done with my old self. I don't want to be like that anymore.

It doesn't matter how much I mock him if I just show up in front of him and turn into my same old, exhausted self in one instant. And,

creak

What?

Shut up.

what if you just killed yourself?

Shut the fuck up. You're seriously annoying,

If I die, we can't desire anything from each other anymore.

I would rather kill you!

What are you...?

Sigh...

Sigh!

I...diot...

Time to wake up, princess!

*cough cough

*cough cough

You can only live by my side!

Jun began influencing my lifestyle more and more.

But when I meet with Jun, I dress as I want.

Usually I have a normal life with my father.

Jun came into my world.

we have sex.

we laugh stupidly,

We chat about pointless things,

treat my boys well.

Nice to meet you.

That's why

ending up

things that can destroy this constructed world so easily come in the blink of an eye.

You're better at guiding me than any teacher I've ever had.

But,

Sex is communication,

so we have plenty of sex.

Your name is Tsubasa-chan?

What, she found a super-cute girl again.

You've developed enough, so...

Those two are quite perverted.

What's going on here?

C'mon, we'll be gentle. Let's have some fun.

creak

Stop!!

No, stop!

They'll relieve you waaay more than usual.

They're a great lay!

Jun... Jun!

No, I don't want to!

What?

I knew it. Stop.

What about me?

An exchange? That's fine, I'm even glad it's with you.

We've come this far and we won't get anything!? What are we supposed to do?

I changed my mind.

Get out.

Do what you want.

You can watch, or you can go home.

I don't get it.
